

Articulation and General Education Guidelines Glendale Community College to Azusa Pacific University

Any course not listed in this agreement but that is designated as CSU or UC transferable in the Glendale Community College catalog will transfer to APU as unit credit only. Only courses where a grade of C- or above has been earned will be considered for transfer credit. APU will give credit for no more than 70 units of community college work. No course from a community college can transfer to meet an APU upper-division course requirement. Please see APU's current course catalog for additional transfer and admissions information.

Have you completed IGETC or CSU GE Certification?

APU accepts the full Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education (CSU GE) Breadth certification as meeting all Intellectual and Practical Skills, Knowledge of Human Cultures and the Physical World, and Personal and Social Responsibility Requirements (except Writing 3). Students with full IGETC or CSU GE Breadth certification transferring 90+ units before their first APU semester may waive Writing 3. However, students with full IGETC or CSU GE Certification will still be required to complete the Integrative and Applied Learning requirement and the requisite number of Biblical, Theological, and Philosophical Formation requirements.

Please Note: Certification must be completed by January 31st for spring admits and September 30th for fall admits. Some majors require specific Math and foreign language courses.
