

GENERAL EDUCATION TRANSFER PLAN

To Azusa Pacific University from Glendale Community College

This transfer plan is to be used as a guide for traditional undergraduate students wishing to transfer to Azusa Pacific University. Completion is not required for admission to APU. This is not an articulation agreement but a tool to aid students in knowing which courses APU will accept to fulfill General Education requirements. It is the student's responsibility to see that all of the requirements are met upon completing their degree at APU.

Note: Some departments include specific General Education courses as part of the major requirements. Please check with the current APU catalog for your major's current requirements. Due to the degree's specific requirements, this is not for use by those pursuing a B.A. in Liberal Studies or any Bachelor's of Music (B.M.) degree.

IGETC/CSU GE

APU accepts the completed IGETC or CSU GE as fulfilling the lower division APU General Education program requirements. However, the student will need complete these provisions as part and/or in addition to their completed IGETC or CSU/GE.

- Students will need to meet the foreign language requirement of 2 semesters of the same language at the college level.
- Students will need to meet the Health Education and Fitness for Life requirements.
- Students will need to complete a math course from the Mathematics department with at least a pre-requisite of Intermediate Algebra.

All APU students will be required to complete the requisite number of biblical studies courses and the Upper-Division Writing Intensive course. In the cases of both the CSU GE and IGETC, the certificate must be complete, and the certificate must be obtained from the respective community college before the student matriculates to APU. Students who do not receive certification of completion will be evaluated by standard course-to-course articulation and will follow the APU General Education program.
