If you do not qualify for BOG A or BOG B, you must file FAFSA to determine if you qualify for BOG C.

CAL GRANT: The California Student Aid Commission (CSAC) offers California residents three types of grant programs to assist students in paying college expenses. Cal Grant award amounts vary based on financial need, enrollment status, and the availability of state funds. Cal Grant award selections are based on data obtained from your FAFSA (Free Application for Federal Student Aid) and submitted GPA (Grade Point Average) Verification form. The FAFSA and GPA Verification forms are available in the Financial Aid Office.

Source: Bureau of Labor Statistics, Current Population Survey

Post-secondary education is defined as the education offered beyond high school. California has over 2,500 educational institutions and agencies, which offer education in both academic and vocational majors.

The State of California publicly and financially supports three segments of higher education which are categorized as follows: 10 Universities of California (UC); 23 California State Universities (CSU); and 112 community colleges.

California also has numerous private colleges and universities.

The educational goals which can be attained in post-secondary education are numerous. The information below gives an overview of what is required to achieve a certificate or a college degree.

CERTIFICATE (VOCATIONAL)- Major courses only, the number of units required varies. A series of special courses, all related to a particular occupational skill. Sole objective is immediate employment. Offered by community colleges and private educational organizations.

ASSOCIATE DEGREE- Major plus general education courses and electives, 60 units required. Usually referred to as A.A. or A.S. (Associate in Arts or Associate in Science) degrees. Offered by community colleges.

BACHELOR'S DEGREE - Major courses plus general education courses and electives, 124 - 132 total units required. Usually referred to as B.S. or B.A. (Bachelor of Science or Bachelor of Arts) degrees. Normally requires four to five years of full-time study. You may complete the first two years at a community college and then transfer to a college or university.

MASTER'S DEGREE- Bachelor's degree plus graduate courses in a specialized area. Bachelor's degree (124 - 132 units) plus about 36 units. Usually referred to as M.S. or M.A. (Master of Science or Master of Arts) degrees. Normally requires two additional years of full-time study after completion of Bachelor's degree. A thesis or comprehensive exam is required.

DOCTORATE DEGREE - Master's degree and or advanced graduate courses in a specialized area. Units vary, depending on field of study. Usually referred to as Ph.D. or Ed.D. (doctor of Philosophy or doctor of Education). Normally requires three to five additional years of full-time study after completion of Master's degree. Dissertation required.

Financial Aid

How to apply in 6 steps

STEP 1: Complete your FAFSA online or use the paper version

STEP 3: Complete a BOG (Board of Governors) Enrollment Fee Waiver

For faster and more accurate results, we recommend you complete your FAFSA (Free Application for Federal Student Aid) on the internet at www.fafsa.ed.gov. Your FAFSA should be filed as early as possible. If you will be attending Glendale Community College (GCC) during the 2017 - 2018 school year, be sure to list GCC as the college you will be attending and our federal school code 001203 in STEP SIX of the FAFSA application. Any other colleges you plan to attend during this year should also be listed in this section.

Once your Admission application is processed, you will be assigned a **GCC ID Number**. **The Financial Aid Office cannot begin processing your financial aid application or BOG fee waiver until you have a GCC ID number. Beginning Fall 2016, students will be required to maintain academic progress to be eligible for BOG.**

TIPS FOR FILING YOUR FAFSA INFORMATION:

APPLY ONLINE

- Use FAFSA on the Web – www.fafsa.ed.gov. (Use the Web Worksheet included in this packet)
- If you don't have all the information you need, SAVE your FAFSA data and complete it later.
- You must follow the instructions for obtaining a PIN (Personal Identification Number).
- If parents' information is required, your parents must also follow the instructions for obtaining a PIN (Personal Identification Number).
- PIN numbers are confidential and should not be shared.

PLAN AHEAD

Items you may need to complete your FAFSA information:

- Social Security Card
- 2016 federal tax returns, 2016 W-2 forms or final 2016 pay-stubs
- Bank Statements
- Year-end statements of benefits received from Social Security or other agencies

IF YOU ARE REQUIRED TO PROVIDE PARENTS' INFORMATION

- Make sure that your parents' Social Security Number, date of birth and name are correct. Enter parent's name as it appears on his or her Social Security Card.
- This information MUST be completed.

MAKE SURE ALL INFORMATION IS CORRECT AND COMPLETE

- Complete all questions - no blanks.
- Make sure that your email address is correct.
- Make sure that you have **ALL** required signatures or PINs. This is an official federal form and MUST be signed by you and, if required, your parent. Signatures must be legible.

KEEP A COPY OF YOUR COMPLETED FAFSA FOR YOUR RECORDS

STEP 2: Submit your FAFSA online or mail it to the Central Processor

FAFSA on the Web

If you are electronically filing at www.fafsa.ed.gov, make sure that you have included your correct email address.

You will automatically be reviewed for BOG Fee Waiver eligibility when we receive your FAFSA information. However, if you are a low-income student, you may complete the BOG Fee Waiver application to expedite the processing of your fee waiver. If you receive benefits from CalWorks/TANF, SSI or General Relief, complete the BOG Fee Waiver application and provide current proof of benefits to receive parking and health fee discounts.

STEP 4: Check your SAR (Student Aid Report) for accuracy

If you filed online or listed your email address on your paper FAFSA, you will receive an email giving you instructions on how to download your SAR information.

If you applied using the paper FAFSA and you did not provide an email address, you will receive a Student Aid Report (SAR) by mail. The Student Aid Report is a copy of the information that you submitted on your FAFSA.

Once you receive this report, carefully review all items for accuracy. We recommend you make your corrections online at www.fafsa.ed.gov, but you can also submit them using Part 2 of the paper SAR (pages 5-8), mailing it to the Processing Center at the address indicated on page 8.

STEP 5: Submit all documents requested by the Financial Aid Office

When you receive your SAR (Step 4), the Financial Aid Office will also receive your information electronically for review of all the data your family reported. Within approximately 4 weeks you may receive a notification from the Financial Aid Office asking you to submit additional forms or documents.

If your FAFSA was selected for verification by the U.S. Department of Education or if there is conflicting or incomplete information on your FAFSA, the Financial Aid Office may require you to submit additional information such as, IRS Tax Transcript, information on your family's household, or other items needed to help us determine your eligibility. Once all forms and documents are submitted, your file will be reviewed and you will be notified by email regarding your financial aid status and any funds that you are eligible to receive.

STEP 6: Enroll in Classes

You may check your status on the Glendale College website through MyGCC or "Your Aid" on the Financial Aid page at www.glendale.edu/financialaid

The amount of funds you will receive is based on your financial need as determined by the FAFSA and the number of units in which you are enrolled. Most financial aid programs require enrollment in at least 6 units, but they should be courses required for your educational goal. You should meet with your Academic Counselor to determine the appropriate courses you need for your degree, certificate and major. The procedures for registering for classes by telephone are listed in the Class Schedule each semester and on the college website at www.glendale.edu/AR/stars.htm

Carefully read the information under "Financial Aid Frequently Asked Questions" for information on the consequences of dropping or failing your classes.

The lower your number is on the waitlist, the greater your opportunity is to get enrolled in the class.

WAITLIST FREQUENTLY ASKED QUESTIONS

What is the advantage of enrolling to a waitlist?

The waitlist enables you to be auto-enrolled in closed classes as seats become available.

How many classes can I waitlist for?

You may add yourself to any number of waitlists, but you will not be allowed to enroll in and waitlist in more than the maximum number of units for the term. For example, for the fall and spring terms, the maximum number of units allowed is 19; therefore, your combined enrolled and waitlist units can't exceed 19; for the winter and summer terms, the maximum number of units allowed is 8 units; therefore your combined enrolled and waitlisted units can't exceed 8.

Can I waitlist in more than one section of the same class?

Yes, you can waitlist for multiple sections of the same class. Once you have been enrolled in one section of a class, you will be removed from the waitlists for all other sections of that class. If you are already enrolled in one section of a class, you may waitlist for additional sections, but you will not be enrolled from the waitlist until you drop the section that you are enrolled in.

I was in position number 1 on a waitlist, why wasn't I enrolled when a seat opened?

The requirements to be moved off of a waitlist are the same as standard enrollment:

- You will not be enrolled from the waitlist if you are already enrolled in another section of the same class.
- You will not be enrolled in a class if it conflicts in meeting times with another class in which you are enrolled.
- You will not be enrolled in more units than permitted in the term.
- You will not be enrolled if you have not met the prerequisites for that class.
- You will not be enrolled if you have any registration holds, i.e. Financial, Library ,PE etc.
(see MyGCC → Student Center → Holds)

Can I take myself off of a waitlist?

Yes, you may remove yourself from a waitlist by following the same process as to drop a class.

Once I am on the waitlist, how do I get into the class?

If seats become available and you meet all of the requirements, you will be added automatically to the class based on your waitlist position number. If you are successfully enrolled from the waitlist, you will see the change in your "My Schedule" in your Student Center in MyGCC.

Can I waitlist for a class that conflicts in meeting times with a class that I'm already enrolled in?

Yes, you can waitlist for time conflicted classes, but you will not be moved off of the waitlist until the time conflict has been resolved.

What if I decide that I no longer want to take a class that I have waitlisted?

It is your responsibility to remove yourself from the waitlist. If you have been enrolled from the waitlist and do not wish to take the class, it is your responsibility to drop the class before the last day to drop with refund, or you may still be accountable for the class.

What happens if I am added to a class from a waitlist after I have paid fees for other classes that I enrolled in?

Your account in your Student Center will reflect the additional enrollment fees. Log into your MyGCC Student Center and click on Account Inquiry. These fees must be paid immediately.

If I am already enrolled in FACTS payment plan, how might enrolling in an additional class via the waitlist impact my payment plan?

Any additional enrollment fees and charges not included in your initial budget and plan will need to be added. You need to let the Tuition Office know of any changes to your enrollment or fees for the added class will be due immediately.

If I have Financial Aid, how will adding a class to my schedule from the waitlist impact my aid?

The enrollment fees will be waived as long as you have been awarded the BOG grant. If you are automatically enrolled through the waitlist process, the enrollment will be complete prior to the last day to add a class and your Financial Aid awards will be adjusted accordingly. However, if you are given a "permission code", you must add the course either online or in person prior to the last day to add a class or your Financial Aid will not be adjusted. We suggest that you contact the Financial Aid office if your units increase or decrease any time during the term.

YOUR STUDENT EDUCATIONAL PLAN

During your first semester at Glendale Community College, you need to make an appointment with a counselor to have a Student Educational Plan (SEP) prepared. An SEP is an outline of all your general education, major, prerequisite and elective classes related to your personal educational goal, as well as the graduation requirements. Once a counselor completed your SEP you will be able to view your SEP in your My Planner in your MyGCC. Take advantage of the Career Center to assist you in selecting a career goal or major if you are undecided.

QUESTIONS

WHAT TO TAKE YOUR FIRST SEMESTER?

1. Enroll in one of the Student Development courses - **Orientation** (ST DV 100, 101), **Study Skills** (ST DV 141), **Career Planning** (ST DV 125), **Academic Success** (ST DV 145).
1. Start with taking your recommended or English or ESL course
2. Courses you think might be interesting
3. Exploratory courses (basic or beginning courses in a subject area)
4. Courses to improve basic skills (English, math, reading, spelling, etc.)
5. Make an appointment with a counselor to develop a Student Education Plan (SEP)

WHAT TO TAKE IF YOU ARE UNDECIDED ON MAJOR?

1. Sign up for an Undecided Workshop using MyGCC.
2. Meet with a counselor to get recommendations.

HOW OFTEN DO CLASSES MEET?

A semester is usually 16 weeks; however Glendale also offers 6 and 8 week courses.

WHAT IS A "UNIT"?

Credit for college classes is measured in units. A unit relates to the amount of time spent in a class. For example, a three unit class will meet for three hours per week. Classes with labs will meet for additional hours.

HOW MANY UNITS MAKES ME A FULL TIME STUDENT?

Taking 12 units or more in one semester is considered a full-time load. To be eligible for athletics, a student must be considered full-time.

WHAT IS THE MAXIMUM NUMBER OF UNITS I CAN TAKE?

Students can take up to 19 units (Fall/Spring), 8 units (Winter) and 10 units (Summer). Students wishing to take more units must get approval during late registration from either the Dean of Admissions.

IF YOU WORK:	TAKE NO MORE THAN:
40 hours per week	6 units
30 hours per week	9 units
20 hours per week	12 units
5 to 15 hours per week	14-16 units

WHAT IF THE CLASS I WANT TO TAKE IS CLOSED?

1. Your first step is to sign up for the waiting list for the class during registration. If students that are enrolled in the class drop during registration, students that are on the waiting list are automatically added to the class.
2. Attend the first class meeting, and if there is space available, the instructor will fill empty seats with students from the waiting list.
3. You may also seek the advice of a counselor who may suggest an alternative class.

HOW DO I WITHDRAW FROM A CLASS?

You must use MyGCC (online registration) by the drop deadline specified in the class schedule or catalog. It is not the instructor's responsibility to drop you from the course, and he/she does not need to sign your withdrawal slip. If you do not officially withdraw from the class, you may receive an "F" in the course for the semester.

WHAT IF I CAN NOT ATTEND THE CLASS THE FIRST TIME IT MEETS?

If you have not made prior arrangements with the instructor you will be dropped from the course. Failure to do so will result in being dropped from the class.

WHAT ABOUT ATTENDANCE?

Attendance is your responsibility. Each instructor has his/her own method of accountability for attendance. Because attendance may seem unstructured, you may have to make attending classes a priority.

HOW DO I GET PREREQUISITES CLEARED?

Students are expected to have satisfied the prerequisite requirements as stated in the catalog/class schedule for all courses. Prior to registering for the class. If the course was completed at another college, students are required to bring in transcripts or other document to Academic Counseling office to clear the prerequisite.

Students may challenge a course prerequisite, corequisite, or limitation on enrollment. See Challenge Petition in College Terms

All prerequisite classes must have been completed with a satisfactory grade. "Satisfactory grade means that, for the course in question the student's academic record has been annotated with a symbol A, B, C or P"

WHAT TIME DO I ATTEND CLASS?

You arrange your time schedule to meet your needs. You may take classes which meet for consecutive hours and still have travel time to arrive at the next class on time. For example, you may take a 9 a.m. class which ends at 10 a.m. and a 10 a.m. class which ends at 11a.m. You may take both day and evening classes. You are not restricted to all day or evening classes.

PARKING REGULATIONS

During the registration process, students may purchase a parking permit online thru MyGCC until one week prior to the start of the semester. Parking permits will be honored in the student parking lot as well as the city parking lots 30, 31, 32, 33, 34 and Civic Center Garage. If you purchase a valid student parking permit, you will not have to pay the parking meter.

A student drop-off is located in front of the college on Verdugo Road or in the Student parking lot located at the top of Mountain.

Allow extra time to park and find your classes during the first week of school.

DO I HAVE TO DECLARE A MAJOR?

It is not necessary to declare a major the first semester you enter. However, you are expected to spend time exploring education options. We recommend you take advantage of the Career Center, also consider enrolling in a Career Planning class.

DO I HAVE TO REPEAT A CLASS IN WHICH I RECEIVED A "D" OR "F" GRADE?

There is no general college regulation requiring the repetition of courses in which you receive a substandard grade. However, certain programs of study require a "C" grade in all courses required for the program.

If you elect to repeat a class in which you received a "D" or "F", you may petition to count the higher grade provided it is an improved grade. The substandard grade will be lined out. This really helps improve your grade point average and is one reason why you may want to repeat these classes.

WHAT IS GPA?

GPA stands for grade point average. Letter grades are given the following point value:

GRADE POINT VALUES

A = 4 points per unit	C = 2 points per unit	F = 0 points per unit	P/NP = 0*** points per unit
B = 3 points per unit	D = 1 points per unit		W = 0*** points per unit

Each class has a specific unit value. Multiplying the letter grade value by the unit value equals the grade points. The next step is to divide the unit total into the grade points to determine the GPA. Units awarded for P/NP are not counted in GPA.

EXAMPLE:	Units	Point Value		Total number of grade points
	3 units of A	$3 \times 4 = 12$		$\text{GPA} = \frac{\text{Total number of grade points}}{\text{Total number of units}}$
	3 units of B	$3 \times 3 = 9$		
	3 units of C	$3 \times 2 = 6$	Sample	
	3 units of D	$3 \times 1 = 3$	30	
	3 units of F	$3 \times 0 = 0$	15	
	1 unit of P	$0 \times 0 = 0$		
	<u>15 units</u>			= 2.00
		<u>30 grade points</u>		

The formula: POINTS EARNED DIVIDED BY UNITS ATTEMPTED = GPA

EXERCISE:

English 120	B	3 units	(X)	3 Points =	9
History 131	C	3		2	6
PE 261	A	1		4	4
ST DV 100	P	1		0	0
Chemistry 110	C	5		2	10
Pol. Sci. 105	C	2		2	4

There is a GPA calculator located on the Transfer Center Website.

ACADEMIC STANDING AND PROBATION

PROBATION is a warning system used to alert student and counselors that a student is not making satisfactory progress. There are two types of Probation: academic probation and progress probation.

TWO TYPES OF PROBATION

ACADEMIC PROBATION

Students who achieve less than a 2.0 cumulative grade-point average in all units attempted are placed on academic probation.

PROGRESS PROBATION

Students will be placed on progress probation when 12 or more cumulative units are attempted and “W”, “I” and “NC” or “NP” units reach or exceed fifty percent (50%). Students may be removed from progress probation status when the cumulative number of “W”, “I” and “NC” or “NP” units recorded is less than half the cumulative units attempted.

DISMISSAL

Students may be dismissed for academic or progress probation if the probationary status continues for third consecutive semester and shall not be reinstated until at least one semester (fall or spring) has elapsed after the dismissal.

Glendale College Policy – Probation/ Dismissal

Glendale Community College interprets a “C” average as a satisfactory scholarship standard – which means that the student should receive grade points equal to twice the number of units attempted.

Students who fail to maintain satisfactory scholarship may be placed on academic or progress probation and may be dismissed.

1. Academic Probation

A student shall be placed on academic probation if the student's cumulative grade-point average for all semester units attempted at GCC is less than 2.0.

2. Progress Probation

A student who has enrolled in a cumulative total of at least twelve (12) semester units shall be placed on progress probation if the percentage of all units in which a student has enrolled for which grades of “W”, “I” and “NC” or “NP” are recorded reaches or exceeds fifty percent (50%).

3. Dismissal

- a. A student on probation (academic, progress or a combination of both) who earns any form of probationary status during enrollment at the end of the third consecutive semester of attendance shall be dismissed and shall not be reinstated until at least one semester (fall or spring) has elapsed after the dismissal. Students on dismissal are only allowed to enroll in a short term session for winter or summer.
- b. A student having been readmitted on probation after academic dismissal must maintain a grade-point average of at least 2.0 and must not be placed on progress probation. If either the grade-point average falls below 2.0 or the student is assigned the progress probation status, that student shall again be dismissed for one semester (either fall or spring).

CONSEQUENCES OF BEING ON ACADEMIC OR PROGRESS PROBATION

Why do I need to know about probation and the different types?

Under Glendale Community College Administrative regulation 5055. Students who are on academic or progress probation, or a combination of both for *two consecutive* semesters will lose their priority registration for the following semester.

According to GCC's Standards of Scholarship...a student on academic or progress probation or a combination of both, who continues on probation by the end of the third consecutive semester of attendance shall be dismissed and shall not be reinstated until at least one semester has elapsed after dismissal.

Probation and Financial Aid

All students must successfully complete 67% of all attempted units, including units transferred in, and a cumulative 2.0 GPA to be in good academic standing. Students who do not meet these standards will receive a Warning Notice. Students who do not meet these standards by the end of the warning period (one semester) will be placed on SAP. Dismissal and financial aid will be terminated until the semester the student meet these standards.

In plain English

If you continue on any type of probation for two (2) consecutive semesters you will lose your priority registration and only be allowed to enroll for classes during open registration.

If you continue on any type of probation for three (3) consecutive semesters you will be dismissed from GCC and have to sit out for one semester (Fall/Spring).

It is recommended that students enroll in grammar and writing, listening and speaking, and reading classes in the same semester. Placement in the Credit ESL course sequence is based on a composite of test scores and academic background.

GLENDALE COMMUNITY COLLEGE MATH SEQUENCE CHART

All students who have not taken a math course at Glendale Community College or another accredited college or do not have a qualifying AP Math score are required to take a math placement exam prior to enrolling in any math course, except Math 190.

Following the initial placement, students advance in the sequence by successfully completing a math course, not by retesting.

- Dashed lines indicate acceptable, but not recommended paths.
- Those courses which are in ovals are not transferable to CSU or UC.
- Math 102 is not UC transferable.
- Math 138 and Math 139 are UC transferable with maximum credit of one course but do not satisfy IGETC.
- Math 105, 107, and 108 can be taken in any order or concurrently.
- Only two attempts are allowed in Math 101, 110, 130, 141 and 144. To complete the sequence, students with two unsuccessful attempts with a grade of W, D, F or NP will be required to take the two-semester version of equivalent course.

COLLEGE POLICE DEPARTMENT

The Glendale Community College Police Department is dedicated to providing a safe environment for students, employees, and the public who visit our

respective campuses. Open 7 days a week, the college police department is staffed by sworn peace officers, dispatchers, and cadets. The police department follows the college's mission of being committed to student success, and to provide for the safety of our campus community.

Reporting Crimes and Other Emergencies

Glendale Community College strongly encourages victims or witnesses to report all criminal incidents to the campus police immediately, regardless of their nature, to ensure that appropriate action can be taken, crime statistics can be recorded for the college's annual statistical disclosures, and timely warning alerts can be issued if needed. Crimes that occurs off-campus (not immediately adjacent to the campus) should be reported to the law enforcement agency having jurisdiction over the location of occurrence. However, if the crime occurs at a GCC sponsored function that is off-campus, the matter should also be reported to the campus police department, in addition to the local agency having jurisdiction over the location of occurrence.

In addition to reporting crimes to the campus police department, you may also report crimes to the Dean of Student Affairs. That office is located on the Main Campus inside the J.W. Smith Student Center building, Room 202, (phone: 818-240-1000 ext. 5594). The City of Glendale Police Department may be contacted by dialing 911 for emergencies or by calling (818) 548-4911.

Emergency Telephone Extension

Campus emergencies, including in-progress crimes, should be reported immediately using campus extension 4000, or by calling (818) 409-5911.

Emergency Call Boxes

Emergency Call Boxes (ECBs) are located on the Main and Garfield campuses in, or adjacent to, several campus parking lots. They are connected to the Police Department Communications Center by hard wired phone lines, and each one emits an identifier code that alerts the Police Dispatcher of the location of the box being activated. It is important to learn the location of ECBs. Maps are available at the police station, which denote the locations of ECBs. To use the system, follow the instructions on the box. Police personal are dispatched to the ECB each time it is activated.

Additional Services

Lost and found – All lost and found articles should be turned in or claimed at the Campus Police Office. Clothing items are not to be accepted. Items will be held for a period of at least 90 days before any disposition is attempted.

Escorts (main campus and off sites) – This service is provided by Campus Police for anyone wishing to be escorted. Contact the department at (818) 551-5205 to request an escort

Emergency Car Service – This service is provided to any student or staff. It includes battery jumps. The dispatcher can call for towing or auto club services.
