REQUEST VIDEO UPLOAD RIGHTS

Faculty and Staff can request rights to upload video and files.

Student accounts allow for viewing files only, (no uploading).

The screenshot shows the 3C Media Solutions user interface. At the top left is the 3C Media SOLUTIONS logo. To the right are navigation links: Home, Videos, Services, Support. Further right is a search bar with a 'Search' button. Below the navigation is a dark grey bar with 'My Account' and 'Log out' links. Underneath are three buttons: 'View', 'Edit', and 'Playlists'. The main content area starts with a 'Welcome Tiffany' message. Below this are two columns: 'News' and 'Messages'. The 'News' column contains text about accessing the account and a link to support pages. The 'Messages' column says 'No new messages'. A blue circle highlights a 'Request Video Uploads' button. Below the button, there is a thank you message from the 3C Media Solutions Team with the email address support@3cmediasolutions.org. At the bottom, a purple footer contains text about funding from the Chancellor's Office.

MY VIDEOS

The screenshot shows the 'My Media' page of the 3C Media Solutions website. At the top left is the 3C Media SOLUTIONS logo. To its right are navigation links for Home, Videos, Services, and Support. A search bar with a 'Search' button is located in the top right. Below the navigation is a dark grey bar with 'My Account' and 'Log out' links. Underneath is a light green bar with 'My Account', 'Media' (underlined), 'Files', 'Playlists', 'Groups', 'Messages', and 'Profile' links. The main content area has a search bar for 'My Media (title)', a 'Search' button, a 'Tools' dropdown menu set to '-select-', and a 'Go' button. A 'Media Help/FAQ' link is also present. Below this are two buttons: 'Add/Upload Media' and 'Create Folder', followed by a 'With Selected' dropdown menu set to '-select-' and another 'Go' button. The 'My Media' section features a table with columns for 'Title', 'Date', 'Status', and 'Options'. A checkbox is visible in the first row of the table. At the bottom left of the page is a link to 'Create all media text list'.

MY FILES REPOSITORY

What is it?

3C's File repository is a place to store files other than video and audio.

Similarities to “My Media”:

- Files are uploaded to 3C server from your local machine only

Folders:

- Same sorting features (Title, Date, Custom)
- Share link for the entire folder
- Able to regenerate key

Important Differences:

- The file is not played in the browser but instead downloaded to the local machine to view.
- To view the file, a user must have software matching that of the file.
- Embedding is not supported.
