IMPORTANT NOTE:

By enrolling in English 101+ you will also be enrolled in the designated co-requisite course. If you drop your section of English 101+, you may not be able to enroll in another section, and your space in this section may be taken up by another student. In that case, you would need to enroll in English 120, which would put you back one semester in your English requirement sequence. Additionally, if you drop the co-requisite, you will not be able to remain in the English 101+, nor will you be able to enroll in a different section of the co-requisite. Please be sure that you sign up for the best days and times for your schedule.
