STUDENT SUCCESS SERIES

- **Budget, Budget, Budget** – top 10 budgeting apps to attain financial literacy
- **Goal Setting** – learn to set SMART (specific, measurable, attainable, realistic, timely) goals
- **Money Management** – manage your credit card, minimize debt, and learn tips to help you make smart financial decisions
- **Negotiation Skills** – learn how to ask for the raise or grade increase while enhancing your negotiation skills
- **Networking Skills** – learn how to establish connections that will open up more opportunities; getting involved or volunteering in the community around your campus will not only help people, but it will enhance your leadership skills
- **Notetaking Skills** – learn techniques to become a more active listener and to take more clear and accurate notes
- **Resolving Conflict** – learn strategies to resolve problems professionally as well as personally
- **Stress Management** - learn ways to prevent, reduce, and relieve stress
- **Time Management** - learn valuable skills such as prioritizing, delegation, decision-making, goal setting, multitasking, problem solving, and strategic thinking
- **Center for Student Engagement & Activities (CSEA)** – learn about co-curricular leadership opportunities by forming or joining a student organization, as well as our Effective Leadership Certificate Pathway based on CAS and AACU standards
- **NU Student Experience: Engagement, ePortfolios, Online Learning** – learn from our students about online engagement, our use of ePortfolios, and our accelerated online format
