

# BUSINESS CAREERS IN SPACE

## FEATURING

**DR. GREG  
AUTRY**

## NASA Presidential Nominee and USC Space Policy Professor

Join us for a fascinating talk with Dr. Greg Autry on the future of entrepreneurship in space. The conversation will touch on the democratization of space and how this phenomenon is opening business opportunities for many of us. Dr. Autry will also share some of his contributions to establishing a viable space economy. And he will outline untold ways in which you can prepare to participate in entrepreneurial endeavors that are specific to the commercialization of space.
