

Best Practices Showcase!

Date: Thursday, November 12, 2009

Time: 12:30PM - 2:30PM

Place: The Student Center

In honor of **National Distance Education Week** (November 9th through the 13th) the Instructional Technology Resources Center will be hosting a Best Practices event where faculty will showcase their innovative best practices with applications such as CCCConfer, Facebook, Pageflakes and more!

Featuring outstanding faculty presentations from:

* **Hazel Ramos, Social Sciences** **Virtual Classroom and Beyond**
Discover how to facilitate "Synchronous Learning" in a virtual setting using SKYPE, Wiziq and Etherpad.

* **Luis Flores, Business** **CCCConfer**
CCCConfer allows real time lectures to be shared online, as well as recorded, captioned and linked within Blackboard!

* **Barbara Erfurt, Health Sciences** **Pageflakes**
Explore ways to keep your online course "cutting edge" using self-updating RSS feeds accessible through Pageflakes software!

* **Alexa Schumacher, English** **Video Making and a Faculty Website**
Bring your lectures to life with videos! Learn to make videos through PowerPoint or Keynote so students can view them later.

... and much more!

Join us for this inspirational event! Light snacks will be served!

Mark your calendars! Flex credit available!
