IMPORTANT

Dear EOPS students,

EOPS had an urgent appointment system maintenance project on Tuesday 10/19/2021 between 6:00pm and 8:30pm. You may have received an email message indicating that you are not part of EOPS program. The message was sent because of an error during the maintenance project.

We have checked your EOPS status, and our records indicate that you are an active EOPS student. Please disregard the email that was sent during the maintenance project last night.

If you need to schedule a counseling appointment, please [click here](#) to complete and submit your request.

We apologize for the confusion and inconvenience this must have caused.

Thank you for your understanding.
