UPDATE

FALL 2021

All students attending in-person classes, working on campus, participating in on-campus programs/activities, or utilizing on-campus services must be fully vaccinated against COVID-19 by October 31, 2021. If you do not submit your full COVID-19 vaccination verification by the October 31 deadline, you will be dropped from your in-person classes beginning November 1, 2021 and receive an EW (Excused Withdrawal) without a refund.

WINTER AND SPRING 2022

In-person class registration will require proof of vaccination or exemption. A vaccination card or approved exemption uploaded into Kokomo and verified before enrollment can occur.

Please visit the GCC vaccination webpage for more information on the mandate and how to submit your vaccination card:

<https://www.glendale.edu/students/student-services/health-center/coronavirus-covid-19/vaccination-mandate>

If you receive an exemption, you will be required to provide proof of a negative COVID-19 test on a weekly basis.

You can access GCC's COVID-19 information and updates here: <https://www.glendale.edu/students/student-services/health-center/what-you-need-to-know>
