Glendale FWY (2)

The map shows a green-shaded area representing a campus or site. A major road, labeled 'Glendale FWY (2)', runs diagonally across the top. Several yellow circles are scattered across the green area, likely representing specific points of interest or landmarks. On the right side, there are three grey rectangular shapes representing buildings, with the letters 'LS' on the top-left one. The bottom of the map features a legend with two columns: 'Buildings' and 'Parking'. The 'Buildings' column lists 'AA Aviation / Art Building'. The 'Parking' column lists 'Parking Structure Student Permit / Staff Permit'. The word 'By' is partially visible on the right edge.
