WHAT IS THE NATIONAL PORTFOLIO DAY ASSOCIATION?
The National Portfolio Day Association (NPDA) was created in 1978 solely for the organization and planning of National Portfolio Days. The association consists of representatives from regional, accredited colleges and universities that are members of the National Association of Schools of Art and Design. The NPDA is the only organization of its kind, and its membership represents the highest standard of visual arts education available in the United States and Canada. Visit www.portfolioday.org for further information.
