

glendale.edu/CCCS

The Cloud Computing & Computer Science Academy is designed to prepare students for computer science and cloud computing-related fields. Students will take college credit courses based on the Amazon Web Services curriculum framework in cloud computing, within their high school schedule, leading towards preparation for industry certifications and completion of related certificates.

### CONVENIENCE

1. Opportunity to enroll in courses required for a GCC Certificate(s) and AWS Certification throughout high school education.
2. Pathway courses offered through GCC will be embedded within GHS bell schedule.
3. CCCS Students have the opportunity to earn:
  - A high school Diploma
  - A-G Certification
  - Progress towards completion of various certificates awarded by GCC
  - Up to 30 transferable college units and industry-relevant certification
