

What is ASU Local?

At **ASU Local**, Arizona State University's Los Angeles-based location, you will earn a bachelor's degree from the No. 1 most innovative research university in the U.S. while being rooted in your community.

At ASU, learning to thrive means having access to an education that inspires you to become a universal learner, capable of learning anything at any time. This approach is vital in a rapidly changing world where new careers constantly evolve and emerge while others become obsolete.

Coaching

Personal coaches support your emotional wellbeing and academic path by helping you navigate life's challenges to ensure success.

1. College

You complete coursework exclusively online with 24/7 access to online learning platforms.

2. Community

Our close-knit and inclusive community empowers you to seek and knit meaningful networks.

3. Career

Trainings, consultancies, internships, and career development resources ensure that you are on a path to career success.

The ASU Local Signature Experience

A hybrid college model that combines digital learning and personalized, in-person coaching and formative learning experiences

- ✓ **Personal success coaches** provide mentorship and support your emotional and academic wellbeing in person as part of a close-knit community of learners.
- ✓ **24/7 access** to digital learning platforms provides you flexibility to sync college with your professional and creative pursuits.
- ✓ A choice of **130+ rigorous degree programs** empowers you to personalize your bachelor's degree journey.
- ✓ **Access to 500,000+ ASU alumni and professional networks** ensure short runway to success.
- ✓ Eligible students receive the **ASU Local Scholarship, in addition to financial aid** to ensure affordability.
- ✓ **Opportunities to study abroad** or at ASU's campuses and global hubs help develop leadership across borders and cultures.
