Courses & sequences of instruction subject to change as Career Pathways are continuously changing with recommendations from industry. For the most updated course information, please visit glendale.edu/cccs.

CONVENIENCE

1. Opportunity to enroll in courses required for a GCC Certificate(s) and AWS Certification throughout high school education.
2. Pathway courses offered through GCC will be embedded within GHS bell schedule.
3. CCCS Students have the opportunity to earn:
 - A high school Diploma
 - Progress towards completion of various certificates awarded by GCC
 - Transferable college units, which demonstrate academic rigor for college admission.

*Some private, out of state and independent colleges/ universities may not accept dual credit courses. For more information, please contact individual institutions directly.
