

## Paramedic Program | Fall 2024 INFORMATION

Thank you for choosing to apply to the Paramedic Program at Glendale Community College! The contents of this application packet will provide you with all the information you need in order to submit a complete application. We kindly ask that you take the time to read this thoroughly as it was carefully prepared to assist you in submitting a complete application. You may contact us via email at [gccems@glendale.edu](mailto:gccems@glendale.edu) if you have any questions after reading this application thoroughly.

**NOTE:** This application is for the Paramedic Program only. All requirements should be completed prior to applying to the program. Tentative acceptance may be granted for items in progress. Qualified applicants will be placed on the existing Glendale Community College Paramedic Studies waiting list and will be notified when an opening becomes available.

### Application Requirements

To be eligible to apply, students must meet the following educational requirements:

- Possess a Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)
- Completion of high school (or equivalent)
- Possess a current basic cardiac life support (CPR) card for BLS Provider, Healthcare Provider or Professional Rescuer which meet the current American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care.
- Be certified as one of the following:
  - California Emergency Medical Technician (EMT)
  - California Advanced EMT
- Have current CPR and EMT certifications at time of entry into a paramedic training program and remain current throughout all phases of training.
- **Recommended** completion of Human Anatomy (with lab) with a grade of C or higher
- **Recommended** completion of Human Physiology (with lab) with a grade of C or higher

### Program Requirements

To remain in the program, students must maintain a grade of “B” (80%) or better in all courses. Before starting clinical rotations, students must pass a criminal background check. Upon successful completion of the required courses, students are granted a certificate documenting completion of the Paramedic Program. Students are then eligible for licensure by taking and passing both the National Registry Exam and County Paramedic accreditation exam.

### Options While Awaiting Acceptance

If you are not accepted for Fall 2024, meet with your academic counselor and work on completing your general education (GE) degree requirements for the Associate’s Degree. Obtaining an Associate Degree is highly recommended for transferring to a university and more career options and mobility.

All communication, including letters and other notifications, will be made via email from [gccems@glendale.edu](mailto:gccems@glendale.edu). It is your responsibility to regularly check your email. Please notify the department of any changes in personal information.

# PARAMEDIC PROGRAM APPLICATION

## FALL 2024

### APPLICATION (Page 3 of 3)

My signature below indicates that I have thoroughly read and completely understand all instructions that accompany this entire application. All the information I have provided is true and correct. I understand that failure to complete these required steps, such as inability to comply with deadlines or inability to provide requested documents could result in my application being delayed to the next application period. I understand that omission or falsification of any documents will result in my application being discarded and not considered for eligibility or selection into the Paramedic Program.

I understand that Glendale Community College (GCC) is regulated by the National Registry of Emergency Medical Technicians (The Registry) and the Registry may deny a license regulated by the Business and Professional Code, Section 480, on such grounds as: conviction of a crime, acts of dishonesty, fraud or deceit.

I understand that after being selected into the program, I must complete a background screening by means of fingerprinting. If I have concerns, I will disclose these issues to the EMS Director as this may impact my eligibility for clinical practice and/or eligibility to begin the program. If I meet with the director, I will provide supporting documentation showing that the misdemeanor/felony has been expunged, dismissed, or adjudicated. If I fail to disclose any background convictions to the EMS Director before the results of my fingerprinting, I will be immediately dismissed from the program and ineligible to return.

I also understand that I must complete a drug screening in order to comply with requirements of the clinical affiliates of the Paramedic program. If I have concerns about the results of my drug screening, I will make an appointment to disclose this to the EMS Program Director as this may impact my eligibility for clinical practice and/or eligibility to begin the program. I understand that the drug screening is completed once upon entry to the program, and the Paramedic department and/or clinical affiliates can request additional screening at any time during the program if there is cause for concern. If I fail to disclose anything that could yield a positive drug test result to the EMS Program Director before the results of my drug screening, I will be immediately dismissed from the program and ineligible to return.

I understand that I am required to meet all health requirements (including, but not limited to a physical examination, laboratory tests, drug screening, background checks, and immunizations) and other contractual requirements established by affiliated agencies for participation in the program. I understand that the EMS Program Director may require a student to be examined by a school selected licensed physician for the purpose of determining physical and mental fitness. I understand that I must be free of communicable diseases, infections, psychological disorders, physical limitations or any condition which would interfere with successful performance of any required responsibilities. Any condition which is developed by the student after admission to the program may warrant further clearance and dismissal from the program. I understand that my clearance results may be made available on a confidential basis to the facilities where I will be completing my clinical rotations.

I understand that my transcripts will be officially evaluated by GCC's Admissions and Records Department. If any of my courses is determined not to be equivalent to GCC's courses, I will retake these courses to meet the entrance requirements if I wish to be considered for future semesters.

I certify that I have read the entire contents of this 7-page application and my signature below is my certification of the accuracy and completeness of the information I have provided. Further, I understand that admission to, or enrollment in the Paramedic Program at Glendale Community College may be denied if any information I have provided on this application is found to be incomplete, false or inaccurate.
