By entering my name below, I understand and agree to the following: *

My application is complete and accurate.

- All the information I have provided is true.
- If I miss any deadlines, or fail to provide documents, my application might be delayed to the next period.
- If I leave out or falsify any information, my application will not be considered.

The California Board of Registered Nursing (BRN) regulates Glendale Community College (GCC).

- The BRN can deny licenses for things like crimes, dishonesty, or fraud.

Background Check

- After being accepted, I'll need a fingerprint-based background check (Livescan).
- I understand that my results may impact my eligibility to start the program because GCC has to follow clinical safety regulations set by their clinical partners.
- If I have concerns about my record, I'll talk to the Nursing Program Director after I have been selected and will provide paperwork that any charges (like misdemeanors or felonies) have been resolved.
- If I don't disclose my records after I have been selected, I will be able to attend the Nursing Program.

Drug Screening

- After being accepted, I understand that I will need a drug test.
- I understand that my results may impact my eligibility to start the program because GCC has to follow clinical safety regulations set by their clinical partners.
- If I have concerns about any medication that could create a false positive, I'll talk to the Nursing Program Director and provide documentation.
- If I don't disclose any issues before the drug test results come in, I will be immediately dismissed from the program and ineligible to return.

Health Requirements

- I understand that I will need to meet all health requirements (ex: physical examination, laboratory tests, drug screening, background checks, and immunizations) to meet clinical safety.
- I understand that I must be free of communicable diseases, infections, psychological disorders, physical limitations or any condition which would interfere with successful performance of any required responsibilities. Any condition which is developed by the student after admission to the program may warrant further clearance and dismissal from the program. I understand that my clearance results may be made available on a confidential basis to the facilities where I will be completing my clinical rotations.

Transcripts

- GCC will review my transcripts to ensure my courses match their requirements. If not, I'll retake those courses before reapplying.

Future Consideration

- If I'm not accepted this time, my file will be considered for Summer/Fall 2025.

Enter your full name below to confirm you've read all the disclosures.
