

The Payroll Donation Program is an easy and meaningful way to support Glendale Community College students and campus programs. With monthly automatic deductions from your paycheck just 10 times per year, giving back has never been simpler!

- ✓ 100% of your donation goes directly to students and college programs
- ✓ Every dollar you contribute is tax-deductible
- ✓ Support what matters most to you or give where funds are needed most
- ✓ Small donations per paycheck can lead to BIG impact

With hundreds of funds to choose from, there's a fund that matches your values!

Here is what your colleagues are saying about Payroll Giving!

Olga Tovar
Programs & Services
Senior Specialist
Student Outreach Services

“Working at the Welcome Center, I witness firsthand how many students struggle to meet their basic needs — food, housing, transportation, and more. It's heartbreaking to see students trying to succeed academically while dealing with hunger or homelessness. That's why I choose to contribute to the Food for Thought Pantry. Supporting this cause through a payroll deduction is incredibly easy and even a small contribution makes a big difference.”

Richard D. Cortés, Ph.D.
Chair, Student Services Division
Professor, Counseling

“I am deeply proud that our college has taken such a proactive role in ensuring students have the financial support they need to reach their academic dreams. For me, contributing each month through payroll deductions is more than just a donation—it's a reminder that I, too, am part of this mission to open doors, create opportunities, and help our students thrive.”
