Look Out for Supplemental Applications

ALREADY APPLIED TO CSU FOR SPRING 2026?

Some CSUs, like CSULB and SJSU, require students to complete a supplemental application in addition to the university application they submitted in August. Make sure to check your email regularly and complete the application by the deadline. Need help filling out the application? You can meet with a counselor during our drop-in hours. [Drop-in hours](#) are posted on the Transfer Center website.

Apply for Your ADT

If you completed your Associate Degree for Transfer (ADT) requirements in Summer 2025 or will be completing them in Fall 2025, now is the time to meet with a counselor and submit the [Petition for Graduation](#) if you have not done so already. If you indicated on your CSU application that you have earned/will be earning the ADT, we will electronically verify the degree on your behalf, if you meet all the requirements. If you forgot to include the ADT on your CSU application, speak with a counselor to obtain an ADT verification form that will need to be sent to all the CSUs to which you applied.

DID SOMEONE SAY GUARANTEED ADMISSION?

UC Transfer Admission Guarantee (TAG)

Did you know that 6 of the UC campuses offer guaranteed admission through the TAG program? That's right! Davis, Irvine, Merced, Riverside, Santa Barbara, and Santa Cruz all offer guaranteed admission for the fall term. If you are planning to apply for transfer in Fall 2026 to one of these campuses, you may be eligible!

To qualify, you must have completed 30 UC-transferable units by the application deadline, which is **September 30, 2025**. Please note that not all majors at these campuses are eligible to TAG, and each campus has established its own criteria for eligibility and for when the TAG requirements must be met. Please see the [TAG Matrix](#) and attend one of our [UC TAG Application Workshops](#) for additional information. If you are planning to submit a TAG, create a UC [Transfer Admission Planner \(TAP\)](#) account to get started. Reminder: In addition to the TAG application, you will need to submit a UC Application by December 1, 2025.

CSU Transfer Success Pathway (TSP) Program

Did you graduate high school in 2025? If so, you can get future guaranteed admission to the CSU and major of your choice through the Transfer Success Pathway (TSP) program!

Want to learn more about this pathway and find out if you're eligible to participate? Create a [CSU Transfer Planner](#) account and if eligible, submit your agreement by **October 31, 2025**.

Please attend one of our [CSU TSP Workshops](#) for additional information.

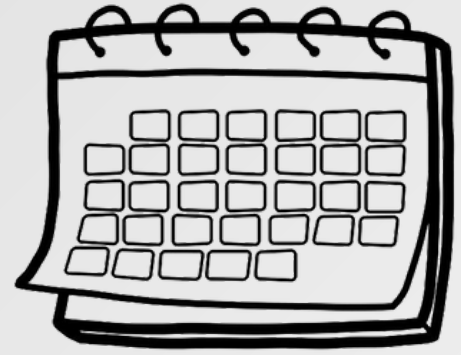

Have questions about these programs, but can't make it to a workshop? Come speak with a counselor in the Transfer Center. We'd love to help!
