Administrative Regulation

STANDARDS OF SCHOLARSHIP – DELEGATION

Glendale Community College requires that all students maintain an acceptable level of progress toward their educational goals through course completion and by maintaining a minimum grade point average of 2.0 or higher. Students who do not maintain satisfactory progress toward their educational goal are subject to academic and/or progress probation and dismissal as outlined in the College's Administrative Procedures, in accordance with Title 5.

Subjects identified by Title 5 as standards of scholarship are grading practices, pass-no pass options, credit by examination, standards for probation and dismissal, remedial course work, academic record symbols, grade changes, course repetition, and academic renewal. Authority and responsibility in these areas is delegated to the College Administration and the Academic Senate as described in the policies and procedures on participation in local decision- making.
